

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since nineteen fifty nine. Whether the task requires transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler will help make the task go easier and faster. These units are available with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. Different optional accessories is available for Lull telehandlers to help complete any job.
