

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes immense delight in achieving total consumer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with solid production principals, Nissan lift trucks supply some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to delivering consumer support, the company has four distinct manufacturing facilities that permit them to constantly adapt to their consumers continually evolving desires by offering a range of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and processes that minimize their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their clients require while being an environmentally responsive corporation.

Nissan is assured that they will be able to address any customer questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
