Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the staff members within TREK and its various dealer members in both technical support and parts will be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that eventually reduces your cost of cleaning. The product, the price and the service all work as one in order to make them an industry leader.
