

Fork Mounted Sweeper

Fork Mounted Sweeper - The forklift mounted broom attachment can make industrial sweeping tasks a lot easier. Intended for use on either wet or dry surfaces, this mounted broom attachment could push snow and squeegee water without problems. This accessory is normally utilized in order to clean debris from warehouses, construction sites, docks, parking lots and almost everywhere it is considered necessary. The forklift sweeper is a low maintenance attachment that utilizes quick-tie tie products to easily attach to the forklift.
